

FACULTY IN RESIDENCE

Dr. Mike & Linda Gunter

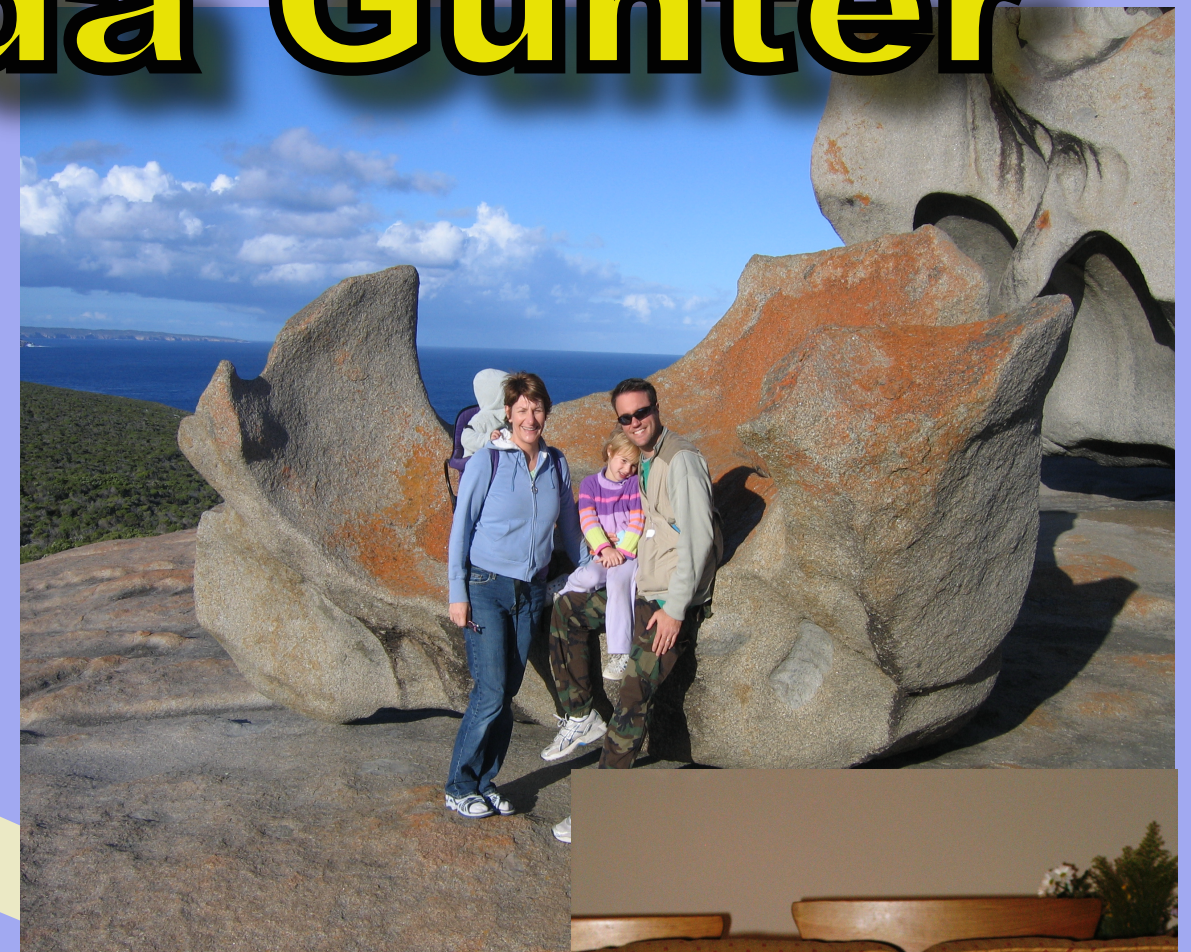

The Gunter Family returned this August after an 8-month trip abroad to take on new adventures with you here in Ward.

Ansleigh, age 5, is a young but passionate artist and looking forward to learning to swim and ride her bicycle.

Malachi, just turned 2, loves to kick balls and ride choo-choo trains and make big messes.

Mrs. Kula-Gunter is a past instructor with the education department, former collegiate swimmer, and marathon runner.

Dr. Gunter also enjoys sports, particularly basketball and tennis as well as eating. He teaches courses in international relations and environmental politics, while serving as Director of the International Relations Program and advisor for the Washington Semester Program.

Ansleigh & Malachi!
